After serving the manufacturing community for the last 24-years, it gives me great pleasure to inform you that I am now part of the Popular Equipment Finance family. Popular is dedicated to the Machine Tool, Plastics, Fabrication and Metal Cutting industries. We understand your business and provide personalized attention to ensure your best interests for business growth and customer satisfaction are met.

As a direct lender, Popular provides you with benefits that best meet your business financing needs. We have a simple application for transactions up to \$350,000 and it is our goal to provide approvals within 2-hours. We deliver competitive bank rates, flexible terms and programs. With Popular, you will have no broker or middle person to deal with. Instead, you will have easy access to live customer service. What's more, we have no pre-payment penalties after the first 12-months.
